

[Rome Total War Britons](#)

[Rome Total War Britons](#)

You can do the same for morale, fatigue, fog of war, etc values Note: You must start a new campaign for the changes to take effect.. Use a text editor to edit the 'preferences.txt' file in the game folder For infinite ammunition, change the value of the 'LIMITED_AMMO:' line from 'TRUE' to 'FALSE'.. Note: This procedure involves editing a game file; create a backup copy of the file before proceeding.
